

Curriculum Vitae of
DANIEL M. SHAPIRO
November 2018

SUMMARY

Daniel M. Shapiro (PhD, Cornell) is Professor of Global Business Strategy at the Beedie School of Business, Simon Fraser University, and co-editor, *Multinational Business Review*. He has worked for forty years as an educator, researcher, and academic administrator. Most recently he was Dean of the Beedie School of Business where he successfully developed a strategic position for the School, raised the money to name it, and led the School through successful accreditation rounds with AACSB and EQUIS. In the past, he was Principal of the School of Community and Public Affairs at Concordia University. He has been Director of the Executive MBA program at Simon Fraser University and Associate Dean responsible for executive programs. He was Director of the CIBC Centre for Corporate Governance and Risk Management and co-academic director of the Vancouver Directors Education Program offered through the ICD Corporate Governance College. As an academic, he has published five books and monographs and some 100 scholarly articles on international business and strategy, corporate ownership and governance, foreign investment and MNEs, industrial structure, and various aspects of public policy. His research has been published in *Strategic Management Journal*, *Academy of Management Journal*, *Journal of International Business Studies*, *Journal of Management Studies*, *Journal of World Business* and *International Journal of Industrial Organization*, among others. His articles have been cited some 8000 times. His article with Peter Klein, and Jeff Young on Board Independence and Family Firms was published in *Canadian Investment Review* as Winner of the 2004 Barclays Global Investors Canada Ltd. Research Award. He has taught courses in international business strategy, strategic analysis, managerial economics, and business and government. In 1995 and again in 2002 he was awarded the TD Canada Trust Teaching Award, and in 2014 was named the Academy of International Business (AIB) Educator of the Year. He has designed and delivered executive programs to managers in the private and public sectors, both in Canada and abroad (including Russia, Guyana, Indonesia and China). He has served as a consultant to various organizations in the public and private sectors in the areas of foreign investment, mergers, competition policy, strategy and industrial policy, has served on the Boards of both private and public organizations. He has also had international experience in a variety of countries including El Salvador, Belarus, Germany and Hong Kong. He has been visiting professor at McGill University, Hong Kong Baptist University, Rotterdam School of Management (Erasmus University), Monash University, and CEIBS (China).
