**Business Administration and Molecular Biology and Biochemistry (MBB)**

**Joint Honors Course Requirements**

This Bachelor of Science Joint Honours degree is offered co-operatively between Beedie School of Business and the Department of Molecular Biology and Biochemistry (MBB).

The program offers in-depth combined training that is pertinent to development and administration in emergent biotechnology enterprises. Molecular biology and biochemistry form the scientific and technological underpinnings of today’s burgeoning biotechnology field while business teaches fundamentals of economics, management, marketing, investment and business law. Students must qualify for, and receive admission to both programs.
