Please note:

This checklist refers only to the Business requirements of the Joint Major program. Please consult with the SFU Academic Calendar and the School of Computing Science undergraduate advisor regarding the graduation requirements for the Computing Science portion of your degree. <http://www.sfu.ca/fas/current-student/advising.html>

Responsibility: The ultimate responsibility rests with the student for completeness and correctness of course selection, for compliance with and completion of program and degree requirements, and for the observance of regulations and deadlines. Faculty advisors and staff are available to give advice and guidance, but it is the responsibility of the student to be familiar with the information in the University calendar.
