PROGRAM STRUCTURE: CURRICULUM & WORK TERM

Through an applied learning approach and business case-focused curriculum, the SFU Beedie MBA equips students with the in-demand skills, knowledge, and resources to be innovative, holistic and socially responsible industry leaders. The program comprises three seamlessly interconnected terms plus a paid work term, empowering you to apply your education as you progress.

All students take core business courses, then choose from specialized coursework and electives, plus one professional experience.

Specialized Coursework

- Digital Transformation and Analytics
- Innovation & Value Creation
- Financial Analysis

Immersive Electives

- International Applied Project
- Industry Project
- Leadership Retreat

Professional Experience

- A paid four-month internship
- Moving straight into a permanent position
- Starting your own new venture
