WHAT HAS BEEN YOUR FAVOURITE MOMENT OR EXPERIENCE AT BEEDIE SO FAR? WHAT ARE YOU LOOKING FORWARD TO?
The Beedie network is a welcoming, supportive, and enriching community to be a part of. From early on, I recognized that I was surrounded by a group of extremely talented, kind and intellectual students. My favourite moments include our discussions inside and outside of the classroom when I am able to draw upon my peers’ personal knowledge and insight; for it is in these discussions, that we are able to challenge each other and truly learn and grow. I look forward to further getting to know my peers and I find comfort in knowing that I am able to reach out to these individuals for support.
