

VIRTUAL DROP-IN ADVISING

SFU **BEEDIE**
SCHOOL OF BUSINESS

VIRTUAL DROP-IN ADVISING GUIDELINES

1. Join the Zoom meeting using the link below. You will be assigned a number, and an advisor will see you in order of arrival.
2. Please prepare your student ID number and questions for your drop-in advising session with a Beedie Academic Advisor.
3. To ensure the highest quality of the video meeting, please ensure you are in a space with a **strong internet connection.**
4. We encourage you to find a **quiet and private space** during your online advising as this will allow the advisor and yourself to focus on finding the best solution for you.
5. You will be required to provide a **photo ID** at the start of your appointment to ensure the privacy and protection of your personal and academic information. If you are a current student, please have your SFU student ID ready to show the advisor.
